

# DIPLOMA IN HEALTH AND SOCIAL CARE MANAGEMENT

The objective of the OTHM MQF - Level 5 Extended Diploma in Health and Social Care Management (610/0333/5) qualification is to equip learners with the underpinning knowledge, understanding and skills required for a career or further study in the health and social care sector at a managerial level.

Our Certification in Health and Social Care Management is awarded by OTHM, an entity recognized by the UK Education Authority and regulated by Ofqual.

## ABOUT US:

The International Institute by Malta (IIBM) is a new concept in continuing and higher education, supported by The Malta Further and Higher Education Authority (MFHEA).

With a valid license (01/2022 - 01/2027), we offer a wide range of over 50 programs in various educational areas.

Our mission is to drive the comprehensive development of our international students, supported by globally recognized certifications such as OTHM, NCFE, ICDL, CPD, among others.
